JITENDRA BEHERA

B.Tech Computer Science & Engineering Student
Lloyd Institute of Engineering and Technology, Greater Noida
+91 9971623266 | jitendra.behera02072000@gmail.com

PROFESSIONAL SUMMARY

Second-year B.Tech Computer Science & Engineering student with a foundation in C, C++ and Python, and hands-on experience building web applications using HTML, CSS, React and Next.js. Currently strengthening skills in Data Structures & Algorithms and AI/ML. Built projects including GD Arena, CV Helper and Precusor-Nexsus, and have participated in multiple hackathons and tech events. Seeking a software development internship to apply my skills and grow under experienced professionals.

EDUCATION

Bachelor of Technology (B.Tech), Computer Science and Engineering — **Currently pursuing**
Lloyd Institute of Engineering and Technology, Greater Noida — Second Year
Semester 1 SGPA: 5.67/10 | Semester 2 SGPA: 5.67/10

TECHNICAL SKILLS

Programming	C, C++, Python
Web Technologies	HTML, CSS, React, Next.js, TypeScript
Development	Web applications, APIs
Currently Learning	Data Structures & Algorithms (DSA), AI/ML

PROJECTS

- **GD Arena** — Python, HTML, CSS, Next.js
- **CV Helper** — Python, HTML, CSS
- **Precusor-Nexsus** — Python, HTML, CSS, TypeScript

ACHIEVEMENTS & TECHNICAL ACTIVITIES

- **Smart India Hackathon (SIH):** Cleared the internal-level selection round.
- **CISCO Certification:** Python (Intermediate level).
- **Coding Spectrum:** Participated in a C programming activity; earned a certificate.
- **AI Studio Event, Gurgaon:** Participated in an AI-focused event; earned a certificate.
- **Build with Bharat:** Participated in second year; earned a certificate.
- **Ideathon 1.0:** Participated in first year; earned a certificate.
- **Ideathon 2.0:** Participated in second year; earned a certificate.

CORE STRENGTHS & CAREER OBJECTIVE

Strengths: Analytical thinking, teamwork, collaboration, adaptability, and willingness to learn.

Objective: To apply foundational programming and software development skills to practical projects, learn from experienced professionals, and contribute to meaningful software solutions through an internship.
